An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In the title:

The title has been changed to:

--GRIPPER DEVICE IN A SHEET PROCESSING MACHINE--

The above amendment has been entered to simplify the title. Although the claims are separately drawn to a gripper in a sheet processing machine and a sheet processing machine having a gripper, the above title is deemed to adequately describe the invention. Applicant's argument in the paragraph bridging pages 13 - 14 of the Remarks with respect to claim 19 is convincing. (It is noted that the reference to claim 9 in this paragraph is obviously a typographical error.) Claim 19 does not recite any language found objectionable by the examiner in the 35 U.S.C. § 112, first paragraph, rejection.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen R. Funk whose telephone number is (571) 272-2164.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Drew Hirshfeld, can be reached at (571) 272-2168.

The fax phone number for ALL official papers is (703) 872-9306. Upon consulting with the examiner *unofficial* papers only may be faxed directly to the examiner at (571) 273-2164.
